

JAECCOO J8

SPECIFICATION SHEET

MODEL YEAR 2025

Overseas model shown

FROM CLASSIC BEYOND CLASSIC

Meet Jaecoo

Derived from the German word “Jäger,” meaning “hunter,” Jaecoo embodies the drive to innovate, explore, and lead the pack. Since its debut in 2023, Jaecoo has expanded globally, setting new standards in technology, safety, and design. Built for those who seek purpose, precision and performance, Jaecoo empowers you to thrive in this wild life, wherever it takes you.

About the J8

The JAECCO J8 embodies a fusion of aesthetics and technology, combining the elegance of Jaeger with a cool, modern visual identity—hence the name JAECCO, from “Jaeger” and “Cool.” Its design features a cohesive flow from headlights to tail lights, with a clean, minimal 3D form and smooth, robust surfaces that balance comfort, sophistication, and power. This visual language reinforces the brand’s core DNA, bringing warmth, hope, and vitality.

Driving the J8 AWD

Featuring CDC active suspension, the J8 delivers an exceptionally smooth, air-like ride that raises the standard for comfort in the full-size SUV category. Combined with Dynamic Torque Vectoring AWD, it ensures confident performance and stability across various terrains and conditions.
